About Us

Our Vision:

At CAIRO, we envision a more just and equitable society in which children, youth, and families live in sustained, supportive communities, which reinforce the cultural wealth and lived experience of the family.

Our Mission:

We act to increase equitable opportunities for African immigrant and refugee children, youth and families; and low-income communities in the following areas:

- Education & Youth work
- Community Health
- Workforce Development
- Housing Access & Stability

Iskufilan Village

The Heart of our convening

We are inviting sponsors and donors to support the Seeds of Synergy Gala, an evening dedicated to workforce housing and opportunity in St. Cloud.

This year's gala will help bring Iskufilan Village to life . A workforce housing project that will include over 70 apartment units for working individuals and families, space for community-centered small businesses, and a youth and family center. It is designed to create stability, support local growth, and strengthen community connection.

Your support helps close real gaps in housing and opportunity. It gives families and individuals the chance to stay, grow, and thrive in St. Cloud.

We would be honored to have you with us. Let's plant the seeds of something lasting together.
